KYC (KNOW YOUR CUSTOMER) POLICY

Know your customer policies have become increasingly important on a worldwide basis, especially among banks and other financial institutions, in order to prevent identity theft, money laundering, financial fraud and terrorist activity.

Finateqs Corp. holds a zero tolerance fraud policy, and is taking all measures possible to prevent it. Any fraudulent activity will be documented and all accounts related to it will be immediately closed. All funds in these accounts will be forfeited.

Prevention:

Assets Global Ltd. aims to ensure the integrity of any sensitive data it obtains, such as your account information and the transactions you make, using a variety of security measures and fraud controls. Securing your electronic transactions requires us to be provided with certain data from you, including your preferred deposit method.

When you deposit funds we will require the following documents:

- a copy of your valid passport with the signature page;
- copies of your credit cards, used to make the deposit: One or more (if available) of the following options to confirm possession of the card by the owner:
- recent copy of a bank statement containing cardholder's full name, first 6 and last 4 digits of card number (sensitive data must be covered), and the payment in question. If screenshots are provided the page URL must be visible.
- authorization code for the payment in question (AUTH code) – it is usually contained in the transaction data when the client accesses their bank account.
- clear color copies of both sides of the card. The middle of the card number should be covered on both sides, leaving the first 6 and last 4 digits visible; on the back side, CVC/CVV code should be covered.
- a copy of a recent utility bill in your name and address.
